KEYPOINT

ABOUT US

Keypoint is a market leading supplier of hand and foot protection across Ireland and the UK, delivering a wide range of cutting-edge solutions that fit. Supplying a broad cross section of industries, we supply best-in class work gloves and safety footwear with comfort, function and sustainability a priority.

Our exclusive brands are at the forefront of their respective fields in driving innovative solutions to meet the ever-changing requirements of the modern workplace, with a focus on doing so in the most responsible and sustainable way possible. Our care for people, whether it is the hands that wear or make our products, and the planet is at the centre of everything we do. We're serious about backing our commitment to sustainability with tangible action that has a real impact on our partners, our people and the planet.

With decades of experience and industry insight, our customer facing team are there to support you every step of the way to select the right product and point of sale solutions for your customers and your business.
